We are delighted to announce that the essential building works at Lambeage Hall have commenced! Although still short of our target by a few thousand, our preferred contractors had a 'window' of availability during a quiet time for us. We have secured an interest free loan and taken the plunge. During the final stage of the works, the hall will be closed for business for just a few weeks commencing 6th July.

- This means there will be no Film Night on 14th July
- Please note that the afternoon tea planned for 23rd June is postponed as it clashed with the 'meet the new Bishop of Truro' tea at 4pm that day at St Peter's Hall.
- **The Cancer Research UK afternoon cream tea on 30th June is unaffected**
Please come along and support this charity event

Huge congratulations to our friends at The Fisherman's Rest who are also renovating their establishment. Their recent exhibition was wonderful and the Lambeage Committee looks forward to entering a team into Fisherman's Rest quiz at St Peter's on 29th June.
