*Below - Underpinning:  
Before and After*

### Achieved!

Thank you all so much - the underpinning is completed and paid for! We even have additional storage space. Amazing to have achieved this step in just a few months. The underpinning has cleaned us out financially, so please support future events to boost the coffers for our next projects. We are currently costing and prioritising next steps.

### Coverack Arts Festival

Massive thanks to Lizzie Cartwright and Chris Hutchings who spearheaded this great event. Thank you to everyone who supported us and for the overwhelmingly positive response. We all learned so much from running this. The decision has been taken to run it again next year with some adjustments. The main events will be on **24-26<sup>th</sup> July 2020** so please pop it in your diary. The event raised a massive £5,000, which completed the funding we needed.

## Summer Fete

We were so lucky with the weather. A great time was had by all – especially the dogs! Andrew Mercer compered our way through brilliantly! We raised over £1,000 towards hall upkeep – insurance, water etc. Next year we will run it later in August as this year we were still exhausted from the festival.

## Summer Draw

Will be drawn on 17<sup>th</sup> September. Active selling is now winding down as the Christmas Lights Draw takes over.

[Help!](#) We are a small team trying to upgrade this village amenity. If you are able to support in any way, please do.

## Forthcoming Events: Please support and enjoy!
